

## France

### Policy approach

The French Embassy in Bosnia and Herzegovina is implementing different programs, following priorities designed by the French Ministry of Foreign Affairs in order to support the country in its efforts towards European integration. The work is carried out according to four main links, with an integrated approach: Interior security, technical cooperation including governance and high education and scientific cooperation, culture and civil society including Francophonie, *reprise de l'acquis*.

Some of these activities are financed with a large support of the European Union (including TAIEX), some others are financed directly by French government and French local collectivities.

In 2016, the Government of France has allocated €0.41 million to the BiH. €0.38 million was allocated for projects in the field of education and culture and €0.03 million for projects in the field of cooperation with civil society and institutions.

### Key activities in 2016

The Government of France **allocated € 0.41 million and disbursed € 0.41 million in 2016 in the form of grant** to the following sectors: Education, employment and social policies and Democracy and governance.

## Medium and long-term approach

The Government of France will continue to finance projects in the field of education and linguistic cooperation, and to support civil society and institutions.

## Donor coordination efforts

The Government of France representatives are participating in all donor coordination efforts, including sector working groups such as friends of National Museum, EUNIC, etc.
